ATT: 

Subject: Supplement to quotation of 27 March 1967 for Vacuum  
Easel for VG-894 Enlarger.

Gentlemen:

We are pleased to submit our supplementary quotation to provide a  
factory service representative from   
Inc., for one day during the installation of the above easel to assure  
that the system is properly aligned for optimum performance.

The charges for the representative are  including labor and  
transportation from their  office.

We trust this quotation is satisfactory. Please advise if you require  
further details.

Very truly yours,
